Submission 13 B

Chrome is being controlled by automated test software.

The screenshot shows a Cypress test runner interface on the left, a command log in the middle, and a web application on the right. The web application is titled 'Purchase Order Viewer' and displays a purchase order for 'Brendan Goddard' dated '2025-12-01'. The order includes a table with one item: 'Graphics Card 1' at \$450.00. The total amount is \$565.00, including a \$65.00 tax. A 'View PDF' button is visible at the bottom of the order details.
